

AQUA PLATINUM

SWIMMING POOL DESIGN & BUILD

Project Manager – Construction

Location: Hampshire / London

Salary: Competitive £30k - £35k plus bonus scheme

About the company:

Aqua Platinum Projects are swimming pool design and build specialists, offering a unique approach and first-class service for their clients throughout London and Southern England. Dedicated to producing and utilising the most detailed designs, highest quality materials and ever-evolving construction methods they are at the forefront of the wet leisure industry, providing the best quality and service available.

As a Project Manager, your time will be split between office and site.

Reporting to the Technical Director, you will be responsible for the client liaison and day to day management of projects to ensure contracts are kept on schedule and clients are communicated with.

This Project Manager role requires travelling to our sites in London as well as commuting to the Fareham head office.

Duties of the Project Manager:

- Liaise with Sales/Design/Logistics departments at handover stage of project to ensure the smooth running of site to meet programme.
- Organise sub-contractor labour and in-house labour.
- Monitor job costs and progress against budgets.
- Issue RAMS to site.
- Health & Safety duties – ensure all personnel, recruitment and induction procedures are completed on and off site to ensure compliance with relevant legal and H&S legislation including the company's H&S Policy.
- Ensure recruitment needs are met.
- Training (site staff) – identify and ensure that personnel attend such courses that are deemed necessary.

Requirements of the Project Manager:

- Must have previous Project Management experience
- Must have experience managing projects within Swimming Pool / Construction / similar industry
- Project management qualification would be an advantage
- Full UK Driving License
- Pro-active / forward thinking
- Experience of project management software an advantage

Project Manager – Benefits:

- Company car / vehicle with fuel card
- Mobile phone
- Laptop
- Pension scheme

If you meet the requirements and feel that this Project Manager role is right for you then please apply today by sending your CV to: karen@aquaplatinumprojects.co.uk
