

AQUA PLATINUM

SWIMMING POOL DESIGN & BUILD

ELECTRICAL ENGINEER (SWIMMING POOLS) – LONDON & SOUTH

About the company

Aqua Platinum Projects is one of the largest swimming pool companies in the UK offering a bespoke design and build service within the high-end luxury swimming pool market.

About the job

With company growth we are now looking for an experienced and competent engineer to carry out all electrical installations on our projects, predominantly in and around London within basement fit-outs with swimming pool, spa and sauna wellness suites.

Duties

As a London based electrician, you will be working as part of the on-site team, reporting directly to the Project Manager and office based management team.

Your duties will include:

- Electrical installation within plant rooms
- Electrical installation of all lights
- Fault finding and compiling snagging lists
- Communication with Project Manager and management team

Requirements

- Must be experienced in high-end pool installations
- Must be qualified to sign off and commission
- Experienced in fault finding
- CSCS
- Full clean driving licence

Benefits

- Overtime available
- Company van
- Fuel card
- Tools and uniform
- pension
- 22 days paid holiday plus bank holidays

If you meet the requirements and feel that this Project Manager role is right for you then please apply today by sending your CV to: karen@aquaplatinumprojects.co.uk
